

## TFG Football Academy Full Terms and Conditions

Booking is deemed acceptance of these conditions.

### Registration and collection

All children must be dropped at the 3G pitch by a parent or guardian - the coach of each group will then register children at the start of football. Children must be collected by a parent or guardian at 6pm from the spectators area .. if running late please call 07999 494 197 we will supervise any children not collected on time until parent/guardian collection.

### Parent or guardian attendance

Due to Ofsted guidelines it is the responsibility of TFG to ensure that any adult present on the 3G pitch has been CRB/DBS checked through TFG. Therefore we would be grateful if parents or guardians refrain from entering the football pitch - and watch from the pathed spectators area.

### Toilet Procedures

We ask that all children go to the toilet under parent supervision before the 1 hour training session commences (disabled toilet front of pavilion building is the closest toilet to the pitch) if during training a child needs the toilet a TFG coach is unable to leave the group to take them - so we ask that parents/guardians stay in the spectator area during training if you feel your child is likely to need the toilet during the 1 hour training time in order to take them to the toilet - and if you have concerns about children going to the toilet unaccompanied by an adult.

In the event a parent is not present to take their child to the toilet we will send children in pairs - as we cannot refuse a child the right to go to the toilet.

### Health and Safety

Children must arrive with appropriate clothing for the time of year.

Children attending football training must wear shin pads at all times.

Any medical conditions must be stated upon application and any special circumstances made known to TFG prior to arrival. Any changes to your personal information as well as your child's medical information post booking must be made known.

Our staff do not physically participate in any contact games with the children: and therefore are not under any liability for personal injury, loss or damage caused to participants whilst at training.

The Future Games will not be held responsible for any loss or damage to any personal belongings whilst attending or travelling to or from one of our events.

If a child requires emergency first aid or needs to be transported to hospital urgently then TFG Staff (first aid trained) have parental consent to administer the required actions/procedures necessary for the safety of the child. The parent/guardians (if not present at the time) of the child will be contacted if this is the case.

The Future Games completes a full RISK assessment for every event, and facilitate each day accordingly so the risk of any injuries or incidents arising is kept to a minimum.

No photographic images will be taken without prior consent of the parent/guardian of each child. With consent these images may be used for promotional material.

TFG can only offer a place to the number of children that meets our coaches:children ratio. Children that turn up on the day without booking will be offered a space if it does not exceed our coaches:children ratio in line with Ofsted guidelines.
